Given as part of the MDA services provided by Patersons Securities Limited (the Operator) to its retail clients during the year ended 30 June 2018 (Annual Summaries) under paragraph 912AEF(4)(a) of ASIC Corporations (Managed Discretionary Accounts) Instrument 2016/968 (the Instrument) and 1.31(a) of ASIC Class Order 04/194 (the Class Order). We have also reviewed any quarterly reports given by the Operator under paragraph 912AEF(2)(a) of the Instrument and 1.30(a) of the Class Order for a quarter during that year (Quarterly Reports).

The directors and management of the Operator are responsible for the preparation, presentation and accuracy of the information included in the Annual Summaries and Quarterly Reports. The directors of the Operator have determined that the accounting policies used and described in Patersons Policies and Procedures (the specified basis of preparation), including the basis of accounting, are appropriate to meet the requirements of the Instrument and Class Order. No opinion is expressed as to whether the specified basis of preparation is appropriate to the needs of each retail client.

We have conducted a review of the Annual Summaries and Quarterly Reports in accordance with Australian Auditing Standards applicable to review engagements in order to state whether, on the basis of the procedures described below, anything has come to our attention that would give us reason to believe that any Annual Summary or Quarterly Report has been materially misstated.

A review is limited primarily to inquiries of the Operator's personnel and analytical procedures. These procedures do not provide all the evidence that would be required in an audit so the level of assurance provided is less than that given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion. We have not performed review procedures on any individual Annual Summary or Quarterly Report and, accordingly, we do not make any statement in relation to any individual Annual Summary or Quarterly Report.
